

F.A.S.T. Characterization

Feelings

Write down 2-3 pieces of evidence from the text that show important character traits expressed through what he/she **feels**.

Actions

Write down 2-3 pieces of evidence from the text that show important character traits expressed through what he/she **does**.

Character

Says

Write down 2-3 pieces of evidence from the text that show important character traits expressed through what he/she **says**.

Thoughts

Write down 2-3 pieces of evidence from the text that show important character traits expressed through what he/she **thinks**.

Now explain if you think this character is **dynamic** or **static** and explain why. Remember that a **dynamic character** matures or changes during the plot of a story, but a **static character** doesn't mature or change during the plot.
