Over the course of the 2 day testing schedule:

No one will miss a class of instruction, except for English and Math who will be administering the assessment.

Everyone will receive his/her plan period.

Lunch with passing time = 48 minutes

Plan Period over the course of the 2 consecutive days = 120 minutes

\*Every Math & ELA Teacher will use a laptop cart to test their students during the initial two day testing period. Make-up sessions will be conducted with the testing coordinator / testing team.
